Since 1985 Midwestern Transit Service Inc and Midwestern Freight Forwarding Inc are family owned marketing and sales intermediaries. Midwestern coordinates shippers' needs with carrier availability. Our 6 additional offices are strategically located to serve you throughout the U.S., Mexico and Canada. Our customers benefit from innovations at the forefront of their industry. We are committed to being your full-service transportation solution.

Midwestern specializes in truckload shipments of Van, Refrigerated, Flatbed and specialized equipment. Also Hot Shot, Straight truck, Panel Vans. We also offer LTL, Piggyback, Air and Ocean freight and Expedited service. **We are committed** to placing the needs of our customers first and seeing they receive nothing short of total satisfaction.

We **source** multiple modes and specialties, both inbound and outbound, between all points in the 48 states, as well as Canada and Mexico. We provide service that's ahead of the times, and are truly **"THE RIGHT WAY TO SHIP."**

Midwestern's **pro-active management style** has allowed growth to over thirteen million dollars in gross sales each year. Since 1985 Midwestern has been reputable and financially stable in the transportation industry. We have real time imaging, electronic billing, and web tracking, which provide, additional assurance of our dedication to excellence. We were awarded **NASTC BEST OF THE BEST Brokers in 2001** by the National Association of Small Trucking Companies, representing over 100,000 power units.

Most importantly, Midwestern staff members are a dedicated team of professionals eager to meet your transportation needs. We believe that by taking care of our people, **they will take care of our customers**, and that **will take care of the future**. We routinely exceed your needs and your customers' expectations.

We assist our carriers in balancing their traffic lanes, ensuring they operate at peak efficiency. To further the **pursuit of excellence**, we pay our carriers in 21 days via ACH direct deposit, in an industry with 30 day standard terms.

We **continuously electronically monitor carrier authority, insurance, safety rating, and performance** on all networking carriers. This is done by daily computer updates from multiple sources to our enhanced Transportation Management System (TMS).

We can get it there on time, in good condition and in compliance with all regulatory agencies. **Together, we can raise the standard of excellence in transportation**. Our **relationship** is our **future**.

We look forward to helping with your transportation needs. Please visit our website at www.midwesterntransit.com, or E-mail us at sales@midwesterntransit.com. We welcome the opportunity to serve your company and take a load off your mind, by being **"THE RIGHT WAY TO SHIP."**

Sincerely,

David W Taylor
